Lost in Translation,

Reclaiming the Radical Message of Jesus

How institutional theology and correct thinking triumphed over the divine presence manifested in Jesus and how we are being challenged to correct it. . . . To focus on Jesus, we focus on a human reality, on human experience, and the insights of someone living that experience. We can then bring that reality, experience and the insights to our living and our questioning today.

We provide a safe environment for people to reconcile our God-given gifts of sexual orientation and our Catholic faith through gay-affirming liturgies. Being part of the Dignity/Seattle family means claiming ownership of our faith and living up to the responsibilities of that ownership.
